Welcome Messages

On behalf of the staff, faculty, students and Board of Governors of Niagara College, I wish to extend congratulations and thanks to all of our student athletes for another successful year.

Your achievements are a great source of pride for the Niagara College community, and you give all of us something to come together and cheer for. Through your hard work, dedication and commitment to excellence in the classroom and on the field of play, you have enriched the college experience for yourselves and others.

You have also excelled in your role as ambassadors for Niagara College. As you travel to games, matches and tournaments across Ontario and beyond, you represent the best that Niagara College has to offer.

I would also like to extend thanks and congratulations to our athletics staff, dedicated coaches and volunteers. As motivators and mentors you have made a vital and generous contribution to the development and success of our student athletes and our athletics program.

Congratulations to all for another outstanding season, and best wishes in all of your future endeavors.

Niagara's Athletic Staff

Niagara College is pleased to honour the talent, successes, and dedicated efforts of our varsity athletes, coaches, team and athletic department staff with our 2006/07 Varsity Yearbook.

With each new athletic season, the Niagara College athletic programs reach new heights. This year, our Women's Volleyball Team set a new Ontario Colleges Athletsic Association (OCAA) record for most service aces, and Niagara College introduced Men's Outdoor Soccer as a competitive exhibition sport. Teams continued with their winning ways: the Golf team won a Provincial Bronze Medal and the Men's and Women's Volleyball teams won their respective Western Region Titles.

Sincere thanks go out, too, to the many friends, family and dedicated fans that supported our Niagara Knights this season. You helped to make the 2006/07 home game experience memorable and extra-special.

The Niagara College Department of Athletics is very proud of its heritage and the high standards of athletic and academic excellence we have been providing for 38 years. We look forward to an even brighter future as we continue to grow and expand in the variety of programs we offer to our student athletes.

As we close out yet another successful season, we reflect back on the great individual and team accomplishments that have been recorded. In the great tradition of Niagara Athletics, we will continue to assist our students in their quest for athletic and academic excellence as well as encouraging the values of commitment, fair play, perseverance and team work in their daily lives.

On behalf of the athletic staff and coaches, I'd like to congratulate and thank all our athletes for their commitment, dedication and accomplishments in their field of play and more importantly their academics.

In his eight years as head coach of the Niagara Knights men's basketball team, nobody worked harder or gave more of his personal time than Coach Nero when it came to recruiting and preparing student athletes at Niagara College. His passion for the game and dedication to the success of his student athletes on the court and in the classroom was second to none. Coach Nero directed the Knights to an impressive 64 and 26 record in league play in his seven and a half years as the head coach. He also directed the Knights to their only OCAA medal in the history of the program while appearing in 6 OCAA championships. We are forever grateful to Coach Nero’s dedication, leadership and love for the sport of basketball at Niagara College.
